NOW THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF FRANKSTON, TEXAS:

Section 1: Findings and Intent

That repeat sexual offenders, sexual offenders that use physical violence, and sexual offenders that use physical violence and sexual offenders who prey on children are sexual predators who present an extreme threat to the public safety. Sexual offenders are extremely likely to use physical violence and to repeat their offenses and most sexual offenders commit many offenses, have many more victims than are ever reported, and are prosecuted for only a fraction of their crimes.

This makes the cost of sexual offender victimization to society at large, while incalculable, clearly exorbitant.

It is the intent of this ordinance to serve the City's compelling interest to promote, protect and improve the health, safety and welfare of the citizens of the City by creating areas around locations where children regularly congregate in concentrated numbers wherein certain sexual offenders and sexual predators are prohibited from establishing temporary or permanent residences.
